What is a Working Member?

A working member of a CSA commits to a season-long work trade in exchange for weekly shares of produce.

Working Members of Flatirons Neighborhood Farm

Working members of Flatirons Neighborhood Farm will receive a full season of organically-cultivated vegetables as well as farming experience and education. Working members will serve an integral role in the operations of the farm and will be seen as apprentices to the head gardeners, and will be tasked with the operations of the farm: transitioning lawns to gardens, planting, watering, weeding, harvesting, washing, and distributing produce. Farm labor is fun and educational; however it is physically intensive labor. Please take into consideration the physical demands of this commitment when applying.
